

Joining the pension fund

New members of staff under the age of 75 can join the Local Government Pension Scheme (LGPS) administered locally by Lothian Pension Fund.

Use this form to apply to join if you have:

- a temporary contract of less than three months
- had previously opted out or
- didn't join when you started employment.

Don't complete this form if:

- you're a permanent member of staff or
- have a contract of more than three months

You will be automatically enrolled by your employer so you don't need to complete this form.

To join the scheme, please complete in BLOCK CAPITALS.

WHAT HAPPENS NEXT: Once you complete the form, return it to your payroll section. Your payroll section will then arrange for your contribution rate to be worked out and start deducting contributions from your next pay. Check your payslip to make sure your employer has enrolled you in the Fund. Lothian Pension Fund will send you a welcome letter within 6 - 8 weeks of being told by your employer that you have joined the Scheme.
